

# Minnesota's Invasive Species Tour

From the trees to the water:  
What do invasive species do and what do they look like?

*July 16, 2010*

Meet at Eddy's Resort on Lake Mille Lacs to start the tour and see invasive species first-hand. Learn about those invasive species found in and around Mille Lacs and what you can do to help! CEU's are being reviewed for forestry members.
